

St. Mark's Lutheran Church

2021-2022 Midweek / Sunday School Schedule

Why should my children attend Midweek?

Midweek intentionally builds towards your child being Confirmed. Midweek equips your child in the aspects of faith drawn from Luther's Small Catechism, Midweek is geared towards doctrine that answers the question, "What does all this stuff in the Bible mean?"

Why should my children attend Sunday School?

Sunday School is different than Midweek in that it goes much deeper into the variety of stories in the Bible and attempts to weave them all together into the story of God and His people. The more a child knows their Bible, then the more likely they are to read it someday.
