

GATHERING THE GIFTS OF GOD'S PEOPLE

What

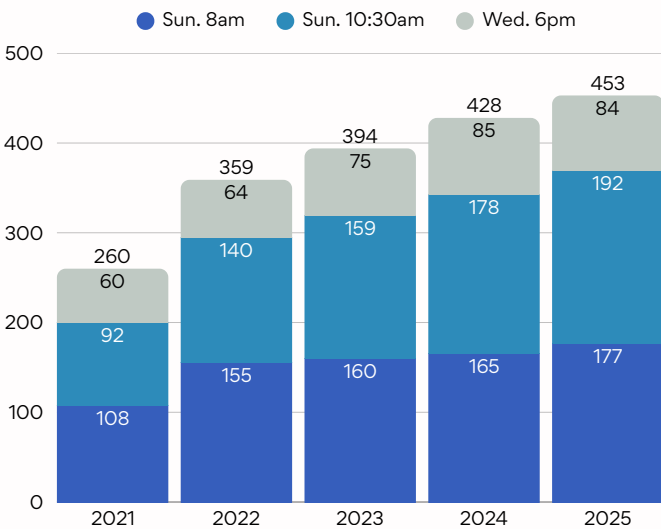

The congregation of St. Mark's has approved a building expansion! The addition (in green, below) will include offices, meeting spaces, a multipurpose activity space, and a larger youth room.

Why

St. Mark's has been blessed with growth! Along with weekly worship attendance growth and a full preschool, meeting spaces continue to fill, and our high school youth group attendance is outgrowing our space.

AVERAGE WEEKLY ATTENDANCE

How

The total cost of the expansion is estimated to be \$3.25 million. Prayerfully consider how you can support this project and our mission of "Reaching the Lost and Strengthening the Saved."

- Physical contributions (checks and cash) can be made using the "Pledge and Contribution" Form
- OR scan the QR code to give electronically
