

The MARKINGS

Hello St. Mark's family,

Well, this has been quite a summer! I was gone for a lot of it, but thankfully, we not only have a talented Emeritus Pastor, but we now have a talented Associate Pastor as well. Pastor Joe was ordained in the ministry and installed at St. Mark's on July 12th of this year, and he and his lovely wife, Alyssa, are a blessing to our congregation! I look forward to seeing how they are going to grow into this family of God at St. Mark's and how God will work through them in our local community. On top of adding another pastor, we achieved the financial goal we set for ourselves concerning our Built In Love campaign for the church expansion and remodel. We reached 20% down, equaling \$650,000 of 3.25 million, raised by the generosity, dedication, and support of this congregation. Some of us may have thought it would go faster, and some of us maybe thought it wouldn't happen at all. I will tell you someone who wasn't surprised...God. His timing and His will are perfect, and we simply do our best to align with Him.

Throughout this year, our talented Church Expansion Committee has been putting in precious time towards our overall building project. Be sure to thank Tom Radenz for leading this group, as he has made life incredibly easier for everyone by directing the group as they work hand in hand with Boson Construction. Tom has voiced that he is very happy with how things are proceeding in terms of timing so if Tom is happy, then I am happy. Shovels will go into the ground on August 30th in between our Sunday worship services. What a special and historical moment that will be for St. Mark's! The overall project is projected to be wrapped up sometime around April, and we know and trust the work that Boson Construction will continue to do. They have been a pleasure to work with.

So, for all the blessings we are experiencing and the many things to celebrate, I will also circle us back to a humbling verse in Scripture from King Solomon Proverbs 16:9 says *"The heart of man plans his way, but the Lord establishes his steps."* This is simply King Solomon saying that God's will...will always be done. Our congregation and all of its leaders and volunteers will continue to make plans, set goals, and work into the future. Some things will work out the way we hope they will and other things will not. If we keep things simple and singular, then we will always best align with God's will being done. So, what does it mean to keep things simple and singular? St. Mark's, and any church that exists, does so for the sake of making disciples. A disciple is a follower of God who grows in faith and experience throughout their lives, as they seek to love the Lord God with all their heart and love their neighbors as themselves.

Everything we are and everything we do is geared toward these simple parting instructions from Jesus. We strengthen the saved within our congregation to go out into the world and reach the lost, one sheep at a time, and all of the flock play a part in this. Our pastors, our ministry team, our preschool staff, our leaders, our Elders, our volunteers, our building, and everyone in it are united behind this simple and singular purpose. May God continue to bless us as we go about His business.

THANK YOU: We are very grateful and thankful to the Trustees for their continued work in helping us prepare for the school year with little odds and ends jobs and especially the playground move. We are so blessed to have a group of willing, skilled, and dedicated men who help in so many ways!

PRESCHOOL PRAYER WARRIOR: Will YOU be a “Preschool Prayer Warrior” this year? It’s easy! All you need to do is pray for one of our precious preschoolers throughout the school year. Yes, that’s it! Whether it’s a 30-second prayer or a few quiet minutes, your prayers will make a difference! These early years are crucial for building faith, their true identity as a child of God, and a sense of love and security. Names can be found on the table in the gathering area starting Sunday, September 6th. Feel free to take a name and lift up that precious preschool child to our Lord throughout the year. Together, we can raise a generation rooted in love and faith – one prayer at a time.

We are ready to begin the school year, and as always, we thank the congregation for its continued support!

The Gathering-Card Making

Please join us on **Tuesday, September 22nd at 12:30 pm** in the fellowship hall for an afternoon of fun and fellowship. Kathy Sparks will demonstrate several paper crafting techniques; including embossing, die cutting, stamping and layering decorative paper. You will have the opportunity to make a Christmas card, getting a head start on your Christmas cards. A free will offering will be available to offset the cost of the project.

In addition to card making, we will have time for conversation and cards. Please bring a snack to share. All are welcome!

Knot now....

This month’s focus in the quilting process is trying. Quilt batting is layered in between a patchwork quilt top and the back. The quilt is laid out on tables & we line up these layers. Yarn is sewn through all the layers, tied in knots and trimmed. We mostly tie 2 sizes of quilts, and between 12-18 quilts weekly.

The quilt tying crew includes Nancy Cloutier, Jean Cork, Joan Crisman, Kim Grosskreutz, Sarah Hill, Kathy Kern, Gail Krieg, Judy Mueller, Joyce Nelson, Kappy Molling, Lynn Schroeder, Bev Sturm, Kathy Weise, and Rita Woller. Thank you to this dedicated crew!

The full quilting group commences on September 1st.

Quilts are a much-needed item. Come join in this fulfilling mission. We’ll meet from 9:00-11:30 in the Fellowship Hall. If you have any questions, call Joan Crisman at 715-573-9801.

SERMON SERIES – “Personal Space” ~ September 13 – November 1

God our Father, His Son, and the Holy Spirit that proceeds from them both are at their core an absolutely personal God. Our God who creates space, and literally occupies all of it all the time, can also be found occupying the space of an Ark, a Tabernacle, and even a baby. Our God is everywhere at once but yet can be born of a virgin. This *Personal Space* sermon series is meant to show the immensity of God existing beyond space and time, while also showing how God personally comes to us in

occupied space and time. This sermon series will walk us through Genesis to Revelation, culminating on All Saints Day/Reformation Day falling on Sunday, 11/1/2026. We all have an idea of personal space in our own lives, but with God, there is no personal space. God personally gave all He could for us so that we could desire Him as an up close and personal Lord in our lives. We hope you enjoy this series!

Don't Let Grief Have the Last Word

Grief reshapes how you see yourself, the world, and your future. While loss can feel overwhelming, understanding grief is the first step toward finding a way forward. This series is for anyone touched by loss, whether recent or long ago. Together, we'll explore strategies for coping with daily life, discovering inner strength, and finding renewed purpose and resilience. Your life may not be the same, but it can still be meaningful and full of hope.

In-person: Tuesdays, September 22 and 29, and Oct. 6, 13, and 20, from 3:30–4:30 p.m. at The Landing.

Virtual: Thursdays, September 24 and October 1, 8, 15, and 22, from 6:00–7:00 p.m. CST via Zoom.

St. Mark's Bucket Challenge

The St. Mark's Bucket Challenge is a dual fundraiser that benefits the building of a well for clean drinking water in Ghana and the St. Mark's High School Youth Program.

Every day in Ghana, families carry 3-5 gallons of water from a well up to five miles to their home. This is their total daily water supply for drinking, bathing, cooking, and everything else. One well supplies 5,000 people with water per day.

On Sunday, September 13 at 11:30am, high school youth will carry three gallons of water on a .2-mile loop around the St. Mark's parking lot. Five laps equal one mile.

The people of St. Mark's are asked to pledge for a number of laps. The youth, and all others who want to join, will set out to complete the total number of laps pledged as a group. The funds raised will be split 50/50 between building a well in Ghana and benefiting the High School Youth Program.

This is an incredible way for our youth to learn what it's like to carry a daily water supply in other countries, as well as truly earn money for their youth program. Members of St. Mark's are encouraged to cheer on the youth and even help them out by taking a lap! Please take a pledge form from the table in the narthex, complete it, and return it with your pledge amount to the church box in the narthex or to the office. Thank you for supporting these two outstanding ministries!

Son-Shine Bible Study

In our September studies, we will continue to focus on the various names of God in both the Old and New Testaments. Praying the Names of God by Ann Spangler has helped us to experience God in fresh ways by learning about the biblical and cultural context. In addition, these various names have given us insights into God's all-encompassing character and how He has provided for us. Our weekly studies will include:

- September 2 – 'Prince of Peace' Isaiah 9:
- 6 and Hebrews 13:20-21
- September 9 – 'I Am' Exodus 3:13-14 and John 8:50-59
- September 16 – 'Bread of Life' John 6:25-27, 48-58

We meet on Wednesday afternoons, 1:00-2:30 in the Fellowship Hall. All are welcome to join us.

Phase II & III of our Built in Love Campaign

I want to start out by saying a great big thank you to everyone who contributed to our Built in Love campaign during *Phase I*. I also want to thank all the people on the Built in Love leadership team that volunteered their time and talents to work behind the scenes in marketing and promotion. We purposely backed off promoting Built in Love for the months of July and August after *Phase I* was achieved. That is no small feat to raise over a half million dollars in less than a half years' time, but now our intention is to move into *Phase II & III* of the Built in Love campaign. *Phase II* will start Rally Day, 9/13/2026, going forward, and this will have a different vibe to it since the building process will be started.

Phase I had a deadline and an intentional sense of urgency for money to be raised that would set the building project in motion. Now that everything has fallen into place for dollars raised, loan approved, and building details set we get to go from a sprint to a more intentional pace for fundraising and raising pledges. *Phase II* is simply one more financial benchmark we are shooting for that was initially set to raise 1 million dollars by Thanksgiving. With *Phase I* being delayed, this sets back our *Phase II* dates as well, and we are now hoping to raise 1 million dollars by the end of January. We are hopeful with end of the year contributions from Required Minimum Distributions and other charitable giving to hit this benchmark that will lead into *Phase III* and generating pledges.

Pledges allow all of us to look down the road into what we are capable and willing to give over a period of time to pay off whatever debt we end up with. Typically, pledges are committed for a three-to-five-year range. Once the expansion and remodel are done and we have the final debt incurred, that will give us an accurate idea of cash flow for operations. Based off the history of St. Mark's and the potential we have within our congregation, I am fully confident that we will continue to surprise ourselves with how the debt is taken care of.

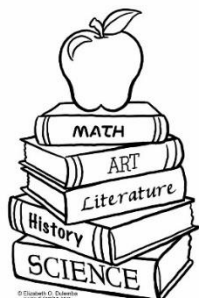

If everyone simply asks the question of what they are capable of and willing to pledge and fulfill, then many hands will make light work. Also, simply seeing the project progress along, and the excitement that comes with that, will unite our vision all the more to see how well this new and remodeled space is going to be filled. For all the blessings God continues to shower upon this congregation, we can humbly hope and pray that God will continue to work through us in the same way He always has.
